EASUN is ambitious and daring

EASUN has gone East, has gone West, all the while with the one objective of putting the Indian Engineering flag on the world map.

The transmission line work in Kuwait, a 15,000 KVA Transformer Substation in Tanzania, 7,500 KVA 132 KV. Transformers for Malaysia, Transformers to Kuwait, Sudan and Trucial States and now a large Substation in Kaduna in Nigeria, comprising two 30,000 KVA Transformers, and allied Switchgear......

Which proves Easun is daring.

Easun's ambition is to reach the high degree of excellence of the greatest entrepreneurs of the East and the West. With their engineering knowledge and skill and the know-how obtained from the highly industrialised nations of the world, Easun is determined to go the world over with Indian Engineering skill and equipment, to earn the much-needed foreign exchange.

EXTRACT FROM THE JOURNAL OF THE ASSOCIATION OF MEDICAL WOMEN IN INDIA, FEBRUARY, 1965 : PAGE 29, ARTICLE ON PITYRIASIS VERSI COLOUR OR TINEA VERSI COLOUR

By

Dr. (Miss) B. THOMAS,
SKIN SPECIALIST,
OSMANIA GENERAL HOSPITAL,
HYDERABAD.

TREATMENT

"The disease responds to simple treatment with mild fungicidals like Iodine, Salicylic in Alcoholic solutions or Sodium Hyposulphate in Glycerine or Alcohol. These application are thought to effect a cure which takes several weeks. *Another alternative I have tried in 100 cases and found 90 p.c. of cases with complete cure. An Ayurvedic Toilet Soap (CHANDRIKA) prepared with herbal and root extracts has proved very effective.* The lather of the Soap is allowed to remain on the affected parts 8 to 10 minutes and then washed off with hot water.

The application of fungicidals is not required.

My thanks to the manufacturers of 'S. V. PRODUCTS, Irinjalakuda, Kerala' for the supply of half a dozen cakes of *CHANDRIKA SOAP* for trial."

MELODY
OF
MACHINES . . .

KERALA . . a land of beauty . . the home of teeming millions. With growing wants . . unsatisfied needs. Only phenomenal industrialisation can meet the challenge on the economic front. Of course, many industries have already sprung up - both big and small. Big industries can stand on their own legs. But those started on small scale need encouragement and positive help.

KERALA STATE SMALL INDUSTRIES CORPORATION LTD.

offers excellent opportunities to the small scale industrialists to establish their units in the industrial estates run by the Corporation all over Kerala. It also assists these industries by supplying them machinery on hire purchase basis, raw materials (controlled, imported and other items) through **the Depots at Ernakulam and Ollur**

SERVICE CENTRES

SERVICE WORKSHOP, Ollur : Execute service works required for small scale units. Equipped with latest machines. Efficient personnel

WOOD WORKSHOP, Kozhikode : Offer service works in wood treatment and processing required for furniture manufacture and allied industries in wood.
